- barges stay 2-3 days in the seaports Rotterdam or Antwerp

- the sequence of the served terminals is decided sailing by sailing after confirmation of the requested windows by the terminals

=> we cannot guarantee on which of the mentioned days the container will be loaded or unloaded! => please count 1st day for import and 2nd day for export
this is not valid for the red marked fix window and time frame sailings

Hinterland terminals

- Earliest pick-up for **IMPORT** containers at indicated day + 1

- Latest delivery for **EXPORT** containers at indicated day - 1
